

January 2018

Kalamazoo Valley Chapter Trout Unlimited
Banquet Committee
5114 W E Ave
Kalamazoo, MI 49009

To Whom It May Concern:

Kalamazoo Valley Chapter Trout Unlimited (KVCTU) is a local chapter of the national conservation organization. Our mission is for the “Conserving, protecting and restoring Michigan’s coldwater fisheries and their watersheds.”

Your help is needed because it will help us make a difference in protecting our environment, in educating our youth and supporting our veterans. KVCTU holds an annual fundraising banquet to continue our support for present and future projects. We offer you this opportunity to support these efforts by making a donation of goods, services or funds. Your donations are used as door prizes, raffles, bucket drawings, and both silent and live auctions.

In recognition of your generosity, KVCTU will list you in our “Thank You” article in our chapter newsletter (*Slacklines*), on our website (www.kvctu.org) and in the program the night of the banquet. Donations can be given through our website, mailed or a pick up can be arranged by contacting Emily Gundlach (Banquet Chairperson) at gundlach.emily@gmail.com or at (269) 501-7725.

Thank you for taking time to consider our request. If you have any questions, please feel to contact Emily Gundlach (Banquet chairperson) or any of the KVCTU Board Members listed on our website, www.kvctu.org. Also included is the outline for our Sponsorship opportunities.

Thank you,

KVCTU Banquet Committee

P.S. - Thank you for “Conserving, protecting and restoring Michigan’s coldwater fisheries and their watersheds” through your donation.
